

## SENIOR RESIDENT FELLOW (FINANCIAL REGULATION AND CORPORATE LAW) – CALL FOR APPLICATIONS

### About the Vidhi Centre for Legal Policy

The Vidhi Centre for Legal Policy (Vidhi) is an independent and non-partisan legal policy advisory group set up to assist and advise the Government of India and state governments on law, regulation and policy. Comprising of legal academics and practitioners, Vidhi's mission is to achieve good governance in India by impacting legislative design and formulation of legal policy.

### About the Financial Regulation and Corporate Law Team

The Financial Regulation and Corporate Law team at Vidhi prepares research papers for the Government in several areas of financial regulation and corporate law. We believe that by providing independent expertise in early stages of law-making and regulation formulation, and in proposing reforms to existing laws, we could have a significant impact in the development of such laws. Currently there is very little dialogue between policy-makers, lawyers, economists and other academics, needed to provide a solid foundation for this exercise. By providing such a forum for dialogue, Vidhi hopes to plug this significant lacuna and thereby provide a crucial value addition to law and policy-making in this space.
